DTE INFORMATION SYSTEM: It is currently a system meant for collecting data related to the phd holders in the faculty members for various purposes. The module may be accessed from the **dtekerala.gov.in** under **MISC.**

1. When you login to the system you will find the screen shown below. It has two options faculty with doctorate (for adding individual faculty details one by one) and Research/Project Topic (for adding various project/research topics e.g. network security, artificial Intelligence etc. It is used later to fill list boxes)

Screen-1

2. Adding Faculty with Doctorate:
   When you select the option you will be shown a screen as shown below Screen-2 . For every faculty member you have to enter his corresponding details here. Once you have entered an pressed the add button screen-3 will be shown

Screen-2

Screen -3

In the screen-3 you have various options like Add **Faculty With Doctorate**,Add **Doctoral Students, Add Ph.D Holders**,Add **Current Projects**,Add**Completed Project**

When you select appropriate action you will be able to add appropriate details.

There is a separate **EDIT** option in every screen, use it, in case you need it.

For every faculty add all details like doctoral students under him, phd holders under him, his current projets and projects completed under his coordinatorship.

In the screen-1 there is option for adding research areas when ever you find it needed please add it. It is for the purpose of filling the field research area in screen 2, screen 3 etc
