2. NOC is NOT needed for candidates to appear for the spot admission.
3. For candidates who have NOT taken admission in any college as per the centralized allotment process, the academic eligibility shall be verified as given below:
 - a. Candidate should possess degree certificate (original OR provisional issued within 6 months) and final mark list of the qualifying examination.
 - b. For general candidates, a minimum of 60% aggregate marks for the qualifying examination. For SEBC (OBC) candidates, a minimum of 54% aggregate marks in the qualifying examination is mandatory. For SC/ST candidates a pass in the qualifying examination is sufficient. (**CGPA to % conversion**: If the university, which awarded the UG degree, specifies the formula for CGPA to % marks conversion (in the mark sheet or through a certificate issued by the university), use it to compute the %marks. Otherwise, use the formula of KTU (**% Marks= 10xCGPA- 3.75**) for computing % marks.)
4. Candidates shall be registered as per the time schedule given above. Registration should be done through MCAP portal. The details of MCAP interface and registration process will be communicated soon.
5. Allotment will be via Google meet the link of which will be sent to you soon. When the candidate name is announced, the nodal officer should pass the information to

the candidate and report back his/her choice (arrangements may please be made to run Google meet for this purpose.)
