Ref: G.O.(Ms)No.333/2022/HEDN dt 04.0702022

Admission to M.Tech (Regular) Courses 2022-23

The online option registration for the spot allotment conducted to fill the vacancies existing after the first two allotments of MCAP 2022 was open till 17.10.2022. The spot allotment is published by considering those registered options as the higher options. The category conversion as per clause 3.5 of the prospectus is included in this spot allotment. The candidates who have been allotted a seat in this spot allotment (including those who have already taken admission) should join the allotted institution from 2 PM on 21.10.22 or before 3 PM on 22.10.2022 with all documents as listed in the prospectus/ allotment memo. In case the allotment is to a different course in the same institutions, the students need not appear for admission again, instead they can collect the admission slip from College office at the time of the start of the class. The institutions need to approve the admission list before 4 PM on 22.10.2022. Those who have already taken admission at any of the Government/ Aided / Govt. cost sharing colleges should collect the TC from the last admitted college and submit at the allotted institution before 25.10.2022. The head of the institutions should ensure that the TC is returned to the candidates without any delay on any date between 21.10.2022 and 25.10.2022 including the public holidays considering the time constraint of completing the admission process on or before 25.10.2022. The vacancies existing in the individual colleges after the centralised spot allotment can be filled by the individual institution through spot admission by giving wide publicity through the media. All the institutions except GEC Painanvu and GEC Wayanad should conduct the spot on 23.10.2022 or 24.10.2022. GEC Painanvu and GEC Wayanad should conduct the spot on 25.10.2022.
